

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

ALIEU JATTA,

Petitioner,

v.

LOWELL CLARK, et al.,

Respondents.

CASE NO. C19-2086 MJP

ORDER ADMINISTRATIVELY  
CLOSING MATTER

The Court issues this Order in response to the Parties' Joint Status Report. (Dkt. No. 43.) In the JSR, the Parties detail the various steps remaining in Petitioner's provisional waiver application process and the estimated time when he might receive a final adjudication on all remaining steps. (Id.) The Parties suggest that the Court administratively close the case given that the estimated amount of time remaining could approach nearly three years. (Id.) The Court agrees that given the ongoing administrative process, it is prudent to administratively close this case. The Court directs the Clerk to administratively close this matter.
